

Supporting paperwork – Agenda Item 599

Purpose: To discuss and approve an allocation not exceeding £100 per parish council planter to support seasonal replenishment from winter through to spring.

Proposal Summary: This proposal recommends that St Albans Parish Council designate £100 per planter to allow appointed custodians, including councillors, to replenish plants and maintain the aesthetic appeal of parish planters throughout the colder months. Councillors overseeing each planter will be responsible for plant upkeep, providing receipts and photographic documentation for reimbursement purposes.

Proposing Councillor: Cllr King

Supporting Councillor: Cllr Jones

Decision Required: Approval of the proposed budget allocation for parish planter maintenance and establishment of reimbursement procedures.

Additional consideration to agree additional £200 for planting.
